

Color-Coded Rack Placard Label Holder

Featuring **HOLD & RELEASE®** technology

Available in a variety of colors for warehouse facelifts, cover-up needs or color coding identification

PLACE LABEL HERE

The **Color-Coded Rack Placard** provides a color-coding system to better organize a warehouse for greater productivity. It is a permanent label holder that allows for easy application and removal of single-use labels with no sticky residue or messy overlapping, keeping racks and shelving units neat and clean. The Color-Coded Rack Placard is a cost-effective and simple solution that eliminates label build-up, while reducing excess labor and time to scrape off old labels. It also masks chipped paint and nicks from scraping, as well as damage by forklifts.

Features of The Color-Coded Rack Placard

- Easy removal and replacement of rack I.D. labels
- Adheres to wide range of surfaces and temperatures
- Can be customized to virtually any shape, size and color
- Accepts most standard permanent labels

Benefits of The Color-Coded Rack Placard

- Increased productivity and cost savings – Fresh facelift without the hassle of painting
- Organization – Color-coding system helps with logistics layout and operations flow
- Confidence – Proprietary Hold and Release® technology
- Security – The Kennedy Group guarantees that The Rack Placard will perform

- Chemical

The Original Placard Label Holder, featuring Hold & Release Technology®, allows labels to be easily applied and removed hundreds of times with minimal surface degradation. This innovative product line – ideal for reusable packaging, racks and shelving – is available in multiple sizes, styles, grades, and colors. With a 99.999% success rate, it is the only labeling system in the industry guaranteed to perform. Ask us about warranties on select products. Kennedy Group materials undergo independent testing, including removability and durability, surface testing, QUV weathering, extreme temperatures, and wash cycles. Anything Less Means Risking More.
