

Nameplate Labels

Capacity labels alert workers and forklift operators of the maximum capacity in certain areas of the warehouse

Weight Capacity Labels

2,520 #/Level
28,980 #/Section

Weight Capacity Labels increase warehouse safety by ensuring workers and forklift operators are loading the racks properly. By not having labels properly displayed, the racks could be overloaded and cause a failure. Be sure to comply with your rack manufacturer for capacity ratings.

Features of Warehouse Weight Capacity Labels

- Can be customized to virtually any size, color and/or graphics to denote different load limits
- Print with barcode, sequential number and/or human readable identification
- A variety of adhesives for indoor, outdoor and cold storage label applications

Benefits of Warehouse Weight Capacity Labels

- Provide maximum load safety warning on all racks & shelves
- Weight capacity labels protect employees from hazards in the workplace

Weight Capacity Labels Available

- Durable or Economical
- Refrigerated-Grade
