

ImagePLUS™ Labeling

Premium color labels for all your packaging needs!

ImagePLUS Labeling™ provides distinctive graphics that convey the unique identity and personality of products while also meeting performance, safety and regulatory compliance requirements. They withstand demanding processing conditions and environments throughout the supply chain and during use by the consumer. Our line of pressure sensitive labeling solutions have been proven to perform in virtually every industry.

Benefits of ImagePLUS™ Labeling

- 10-color printing for high quality graphics
- Four-color process printing to achieve superior image clarity, bold graphics and maximum cost efficiencies
- In-house lab available for testing of custom face stocks and adhesives to ensure the right specifications for your application
- UV Flexo/Flexographic capabilities
- UV Flexo/Rotary Screen capabilities
- Computerized ink matching system and SPC-color monitoring system
