

Roll-Fed Film Labels

Low cost alternative to pre-printed cans!

Roll-Fed Film Labels are made to fit the contours of your container. With full color, 360 degree coverage, the roll-fed film label maximizes marketing space, which instantly adds shelf appeal.

Whether you're in the food and beverage, health and beauty, household, or automotive aftermarket, roll-fed film labels are available for virtually any container. The shape, size and contour of your container can add even more character to an already visually appealing roll-fed film label.

We are proud to provide you with various roll-fed film options from non-shrink to shrink applications. Let our team of experts find the right fit for your product.
