

Aqua Clear™ Labels

A clear, cost-effective solution for a “No Label” look

Aqua Clear™ labels provide a clear, cost-effective solution for a ‘no label’ look on packaging. Attention grabbing Aqua Clear™ labels, from The Kennedy Group, a leading provider of labeling and packaging solutions, enhance clarity on the package, allowing consumers to see more of the product and less of the label.

Aqua Clear™ pressure sensitive film labels are an excellent choice for almost any product, and work especially well on contoured and squeezable containers.

Benefits of Aqua Clear™ Labels

- Allows consumers to see more of the package contents and less of the label
- Attract attention with colorful, raised graphics that can be seen and felt
- Reduces inventory costs associated with pre-printed containers
- Labels can be used with high-speed, automatic dispensing systems

Features of Aqua Clear™ Labels

- Provides excellent adhesion to most plastic and glass surfaces
- Specialty die-cutting for unique shapes
- Virtually an endless array of colors, gloss intensities and finishes available for the film layer to accurately showcase your brand
